33RD ANNUAL NORTH CENTRAL

Tuesday			OCTOBER 16, 2018			Moderator: Greg Vavra		
3:00 -	7:00 pm	EXHIBIT BOOTH SET UP				<i>Ramkota Convention Center II</i>		
5:00 -	7:00 pm	ON-SITE REGISTRATION				<i>Ramkota Convention Center II</i>		
Wednesday			OCTOBER 17 (AM)			Moderator: Jennie Krause, KLJ		
7:00 -	8:00 am	ON-SITE REGISTRATION				<i>Ramkota Convention Center II</i>		
8:00 -	8:15 am	WELCOME & ANNOUNCEMENTS				<i>Greg Vavra - SDLTAP Steve Allender - Rapid City Mayor</i>		
8:15 -	8:45 am	HERE TO HELP!				<i>Kevan Stone, NACE</i>		
8:45 -	9:15 am	"YOU SHOW US" AWARDS				<i>Noel Clocksin, SDDOT</i>		
9:15 -	9:45 am	BREAK - EXHIBIT BOOTH VISITS				<i>Ramkota Convention Center II</i>		
9:45 -	10:45 am	BRIDGE OPPORTUNITIES - PUTTING THE PIECES TOGETHER				<i>Jeff Parrett - Wheeler Lumber, LLC Mike Pardy - Forterra Pipe & Precast Duane Boice - Gruen-Wald Engineered Laminates</i>		
10:45 -	11:30 am	ROUNDABOUTS - COUNTY LED SOLUTIONS				<i>Dan Schriok - Burleigh County - Processes and general roundabout information Mark Kvas - Bartlett & West - Burleigh County Highway 10 & 66th Street NE Roundabout Whitney Schroeder - HDR - ND Hwy 1804 & North Washington Street Roundabout</i>		
11:30 -	1:00 pm	LUNCH (provided)				<i>Ramkota Convention Center II</i>		
Wednesday			OCTOBER 17 (PM)			Moderator: Mike Zimmerman, Dunn County, ND		
1:00 -	2:00 pm	KEYNOTE SPEAKER				<i>Shane Farritor- Innovation & Creativity - in the Workplace</i>		
2:00 -	2:15 pm	SURFACE SELECTION TOOL (GRAVEL OR PAVEMENT?)				<i>Andrew Wrucke - NDLTAP</i>		
2:15 -	2:30 pm	WHAT'S THIS ONLINE LEARNIN' THING?				<i>Chris Padilla, NDLTAP/TLN</i>		
2:30 -	2:45 pm	TRUCK COMPONENT- LOCAL INNOVATION, GT SPREADER				<i>Dan Hudson</i>		
2:45 -	3:15 pm	BREAK - EXHIBIT BOOTH VISITS (VENDOR MEETING AT 3:15)				<i>Ramkota Convention Center II</i>		

3:15 - 3:45 pm	SIGN MANAGEMENT	<i>Cliff Reuer - SDLTAP</i> <i>Doug Kinniburgh - SDLTAP</i>
3:45 - 4:15 pm	ASSET MANAGEMENT - BUILDING A DATABASE TO PREDICT THE FUTURE	<i>Brad Wentz - UGPTI</i>
4:15 - 5:00 pm	DEALING WITH THE PUBLIC AND COMMISSIONERS	<i>Panel moderator Denise Brown - NDLTAP</i> <i>Greg Vavra - SDLTAP</i> <i>Ron Bohaty - Lancaster County, NE</i> <i>Ritchie Gimbel - Bottineau County, ND</i>
5:30 - 8:00 pm	SOCIAL & EXHIBIT BOOTH VISITS	<i>Ramkota Convention Center II</i>
Thursday	OCTOBER 18	Moderator: Ron Bohaty, Lancaster County, NE
7:00 - 8:00 am	BREAKFAST (provided) EXHIBIT BOOTH VISITS	<i>Ramkota Convention Center II</i>
8:00 - 9:00 am	THE REAL COST OF VALUE	<i>Wade Porter - Caterpillar</i>
9:00 - 9:30 am	DEPAVING	<i>Khaled Ksaibati - Wyoming LTAP</i>
9:30 - 10:00 am	BREAK - NETWORKING OPPORTUNITY FINAL EXHIBIT BOOTH VISITS - TEAR DOWN	* PICK UP PDH CERTIFICATES *
10:00 - 10:45 am	FOREST SERVICE - GRAVEL ROADS/OPERATIONS	<i>Curt Grudniewski - Dakota Prairie Grasslands</i>
10:45 - 11:05 am	CEMENT STABILIZATION: A COUNTY PERSPECTIVE	<i>Intro: Chuck Cox - GCC</i> <i>Testimonials: Dirk Rogers - Brown County</i> <i>Dan Schellhammer - Midstate Reclamation & Stabilization</i>
11:05 - 11:45 am	EMAIL ETIQUETTE	<i>Renee Railsback - COLTAP</i>
11:45 - 12:00 pm	CONFERENCE WRAP UP & DOOR PRIZES * MUST BE PRESENT TO WIN *	<i>SDLTAP Team</i>

PROFESSIONAL DEVELOPMENT HOUR (PDH) CERTIFICATES

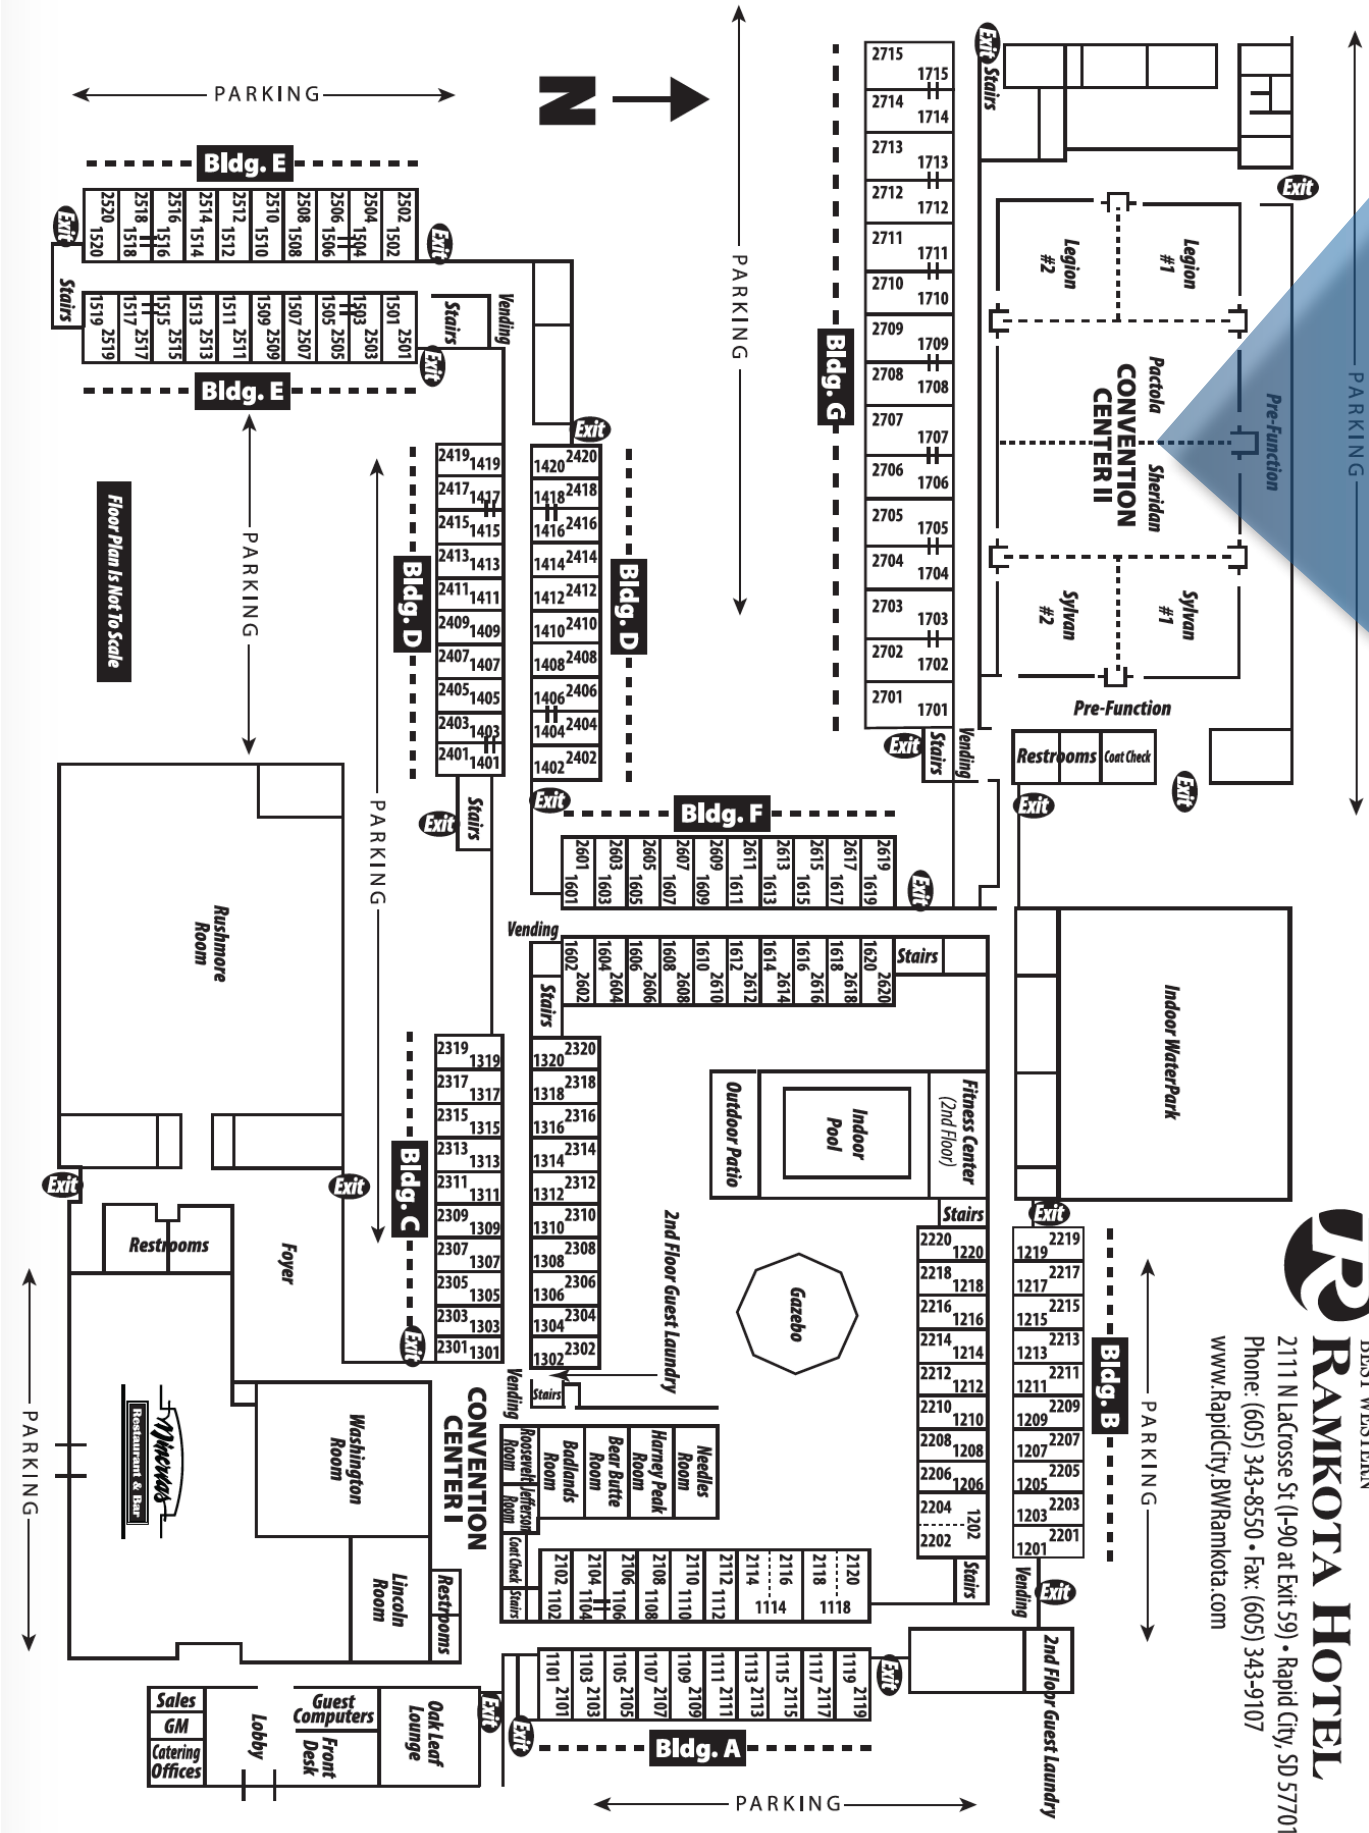

* Coordinated by South Dakota State University (SDSU) and the South Dakota Local Transportation Assistance Program (SDLTAP), the Professional Development Hour Certificate will be distributed at the Registration Desk during the morning break on Thursday. Please remember that it is your responsibility to determine your state's acceptance policies for these credit hours.

PRESENTER BIOS

Jennie Krause, PE –KLJ Jennie is a Project and Client Manager, working with ND counties her entire 12-year career at KLJ. She is also the Manager for KLJ's Project Management Office, spearheading all things project management. Jennie graduated from the South Dakota School of Mines & Technology in Rapid City and is a registered professional engineer in ND and WY. She is also working towards her professional project management certification. Jennie served as the President of the ND Association of County Engineers (NDACE), hosting the annual conference in Fargo, ND in 2017.

Kevan Stone, Executive Director of the National Association of County Engineers Stone serves as the spokesman for NACE and the nation's county infrastructure professionals, those tasked with ensuring the safety of nearly one-half of the nation's roads and 40% of the nation's bridges. Prior to NACE, Kevan served as Senior Policy Advisor to U.S. Congressman and former House Transportation and Infrastructure Committee Chairman

John L. Mica. Noël Clocksin, Programming & Funding Engineer at SDDOT/Local Government Assistance Noël began her career with the South Dakota Department of Transportation in 1987 as a summer seasonal and intern in the Chief Engineer's Office. After 5 summers with the SDDOT and earning a Bachelor of Science in Civil Engineering at South Dakota State University, she began her full time employment with the SDDOT in the office of Materials & Surfacing in 1992. In 1994 she joined the Secondary Roads Office, now known as Local Government Assistance within the Administration Program.

Jeff Parrett, Wheeler Lumber Jeff has a Bachelor of Science degree in Forestry from Penn State University. He is the past President of the Railway Tie Association and The Western Wood Preservers Institute. Jeff is currently the President of the Intermountain Forest Association and has worked for Wheeler Lumber for 31 years in the processing and treating of fabricated wood products.

Michael P Pardy, PE, Forterra Pipe & Precast Mike is a 1991 Graduate of SDSU in Civil Engineering. He is currently the Eastern SD Sales Manager for Forterra Building Products. Prior to this with Cretex (Now Forterra) he was the Engineering Product Manager in MT. He was responsible for managing the manufacturing and installation of dozens of bridges and other engineered product projects across MT, WY, SD, and ID. Prior to this he worked as a Design Engineer and a Certified NBIS Bridge inspector with Johnson Engineering in Yankton SD. Mike also worked as a Project Engineer for SDDOT after graduating from SDSU.

Duane D Boice, PE, Gruen-Wald Engineered Laminates Duane received his B.S. and M.S. degrees from SDSU. After graduation he worked for SDDOT as a Project Engineer. In 1993 he incorporated Gruen-Wald Engineered Laminates which designs and supplies highway and pedestrian bridges throughout the United States. DFI Bridges, a Florida based bridge building company has used their treated glue laminated structures for over a decade. Gruen-Wald has teamed up with Iowa State DOT, SD DOT, and SDSU in building bridges.

Dan Schriock, PE –Burleigh County Highway Department –Sr. Assistant County Engineer Dan has over 15 years of experience in the Road Construction and Transportation Engineering industry. After Graduation from North Dakota State University, Dan became the Assistant County Engineer for Burleigh County where he has been for the past 11 years. As the Assistant County Engineer Dan aides in overseeing many of the operations of Burleigh County including the design, construction, and maintenance of new and existing roadways throughout Burleigh County.

Mark Kvas –Bartlett & West Mark has been in the road construction industry for the past 20 years. He started his career as laborer for a contractor on the Iron Range of Minnesota and progressed his way to an equipment operator, and finally a foreman. After he graduated from

NDSU he worked for a geotechnical/testing company in Minnesota and North Dakota for 10 years. Currently he is employed by Bartlett & West as a construction Project Manager.

Whitney Schroeder, PE, PTOE –HDR –Traffic Engineer Whitney Schroeder is a registered professional engineer in North Dakota and is certified as a Professional Traffic Operations Engineer. She graduated from Michigan Technological University with her Bachelor's in Civil Engineering and earned her Master's in Civil Engineering from the University of Wisconsin. Whitney has a background in both traffic operations analysis and final design studies. Her primary responsibilities and past experience include intersection analysis, traffic signal design, transportation planning and analysis; traffic impact and highway access studies, context sensitive solutions; and analysis of transportation systems from signalized corridors to freeway interchanges.

Shane Farritor, Professor at NE College of Engineering Dr. Farritor joined the faculty of the Department of Mechanical Engineering in 1998. Prior to coming to UNL he worked in the field of Space Robotics Laboratory at the Massachusetts Institute of Technology and the Unmanned Vehicle Lab as the CS Draper Laboratories. Dr. Farritor has studied at the Kennedy Space Center, Goddard Space Flight Center and the Jet Propulsion Laboratory. He is a member of the American Society of Mechanical Engineers and the American Institute of Aeronautics and Astronautics and serves on the AIAA Robotics Technical Committee.

Andrew Wrucke, NDLTAP Andrew is an Associate Research Fellow at the Upper Great Plains Transportation Institute. His main work was with the 2015-2017 Biennium Legislative study and the Local Government Asset Management program. Before joining the UGPTI, he was a Staff Engineer at the Cass County Highway Department.

Chris Padilla is a training manager with UGPTI's Bismarck office Chris works with the Transportation Learning Network (TLN) and ND Local Technical Assistance Program (ND LTAP). Chris collaborates with the TLN members to develop and identify technology transfer presentations, including research projects from the MPC program. Chris is always ready and willing to help out with anything wellness related and often shares ways to improve wellness with his co-workers. Prior to coming to UGPTI Chris spent 13 years with the NDDOT working in the Design, Planning & Programming, Maintenance, and Construction divisions. Chris was responsible for the development and implementation of the NDDOT Maintenance Academy and the NDDOT Rotational Training Program.

Dan Hudson, GT Spreader Dan is a 1996 Graduate of North Dakota State University. He grew up on his family Farm near Colfax, ND. He has been in Law Enforcement for 23 Years. Cliff Reuer, SD LTAP Cliff is a Technical Assistance Provider for SD LTAP at South Dakota State University. Cliff started with the SDDOT in 1970 and worked in construction inspection, billboard/junkyard control, maintenance analyst, region traffic operations, and for the last 15 years of his career was the SDDOT Traffic & Safety Engineer retiring in 2009.

Doug Kinniburgh, SDDOT Local Government Engineer Doug has 32 years of experience in the construction industry. His 26-year career with the SDDOT has been diverse, ranging from a construction inspector, designer, traffic engineer, safety engineer to office manager.

Brad Wentz PE., Program Director for ATAC and DOTSC With his background in state and local transportation Brad has gained experience in planning, urban and rural design, construction, maintenance, transportation data analysis and geographic information systems. As director of the Advanced Traffic Analysis Center, he oversees a staff of transportation engineers and students who use the center's technology to model and analyze traffic, perform traffic studies and develop ITS. As director of the Department of Transportation Support Center, Wentz provides engineering and technical analysis for the North Dakota Department of Transportation engineers and managers. He will also provide oversight for the center's team of engineering and information technology students who work on real-world projects under the direction of the NDDOT.

Denise Brown, NDLTAP Training Coordinator Denise coordinates and develops training for NDLTAP customers and makes sure their staffs are receiving the training they need and desire. Denise helps market NDLTAP training opportunities on a local, state and national level. Denise is participating in the National Local Technical Assistance Association (NLTAPA) leadership track. She was the 2017-2018 NLTAPA President and a member of the National LTAP/TTAP Strategic Planning committee.

Greg Vavra, SDLTAP Program Manager Greg was the Highway Superintendent in Jerauld County from 1995-2012. During his time at Jerauld County, he served as President of the SD Association of County Highway Superintendents and later became the Secretary-Treasurer for the Association before joining SDLTAP in October 2012. He brings a broad knowledge of road and bridge management and maintenance along with a background of government finance and revenue. Greg serves on the SDDOT Transportation Advisory Council, State Transportation Innovation Council and various EDC committees.

Ritch Gimbel, Bottineau County Highway Superintendent Ritch Gimbel has been working at the Bottineau County Highway Department for 32 years and has been the Bottineau County Highway Superintendent for 6 years.

Ron Bohaty, Lancaster County NE Ron is the Road Maintenance Superintendent for Lancaster County Nebraska and has worked with the County since December 2010. He has a background in computer science, farming, construction, auto racing, light-medium-heavy mechanical repair and towing /recovery and law enforcement.

Wade Porter, Caterpillar Wade is a Value Consultant for Caterpillar with dealer support responsibility for the North America & Asia Pacific regions. He has been with Caterpillar for 22 years, with 20+ years as a Product Application Specialist for motor graders.

Khaled Ksaibati, Professor of Civil Engineering –University of Wyoming Dr. Ksaibati is the Director of the Wyoming Technology Center which assists local Wyoming agencies and individuals with technical transportation knowledge. This is accomplished by communicating new and developing technology, responding to direct requests, providing reference materials, and conducting T2/LTAP workshops throughout Wyoming. T2 is part of the Local Technical Assistance Program, which supports centers in all 50 states and Puerto Rico. Dr. Ksaibati has a B.S. in Civil Engineering from Wayne University, and a M.S. and Ph.D. from Purdue. He is a Board Member of the Mountain Plains Consortium, the executive committee of the Transportation Learning Network, a coordinator of the Wyoming Certification Program, and a committee member of the Wyoming Safety Management Systems Program.

Curtis Grudniewski, DPG Supervisory Civil Engineer After graduating from SD School of Mines Curt work for 3 years at Hills Materials Company before going to work at SDDOT as a project Engineer. As a Project Superintendent, he performed estimating, project management and closeout. He worked for SDDOT for about three years and went to work with a heavy highway contractor that specialized in concrete pavements. His work was estimating and mainline concrete paving. Curt later worked for an asphalt contractor based in North Dakota as a road crew superintendent and later as a satellite office Superintendent located in Jamestown, ND. He saw an opportunity to work for the federal government as an Engineer and was hired by the Forest Service on the Dakota Prairie Grasslands (DPG) in the summer of 2004. He initially was hired as a Supervisory Engineering Technician in charge of road maintenance and construction and after 3 years was reclassified as a Professional Engineer. Curt held that position thru the Bakken Oil boom and upon the retirement of his supervisor in 2015, he applied for and was successful in being hired as the DPG Supervisory Civil Engineer.

Dirk Rogers, Brown County Highway Superintendent Dirk is a graduated of SDSU. Dirk is the Highway Superintendent of Brown County and has also spent time working in government engineering/construction for the City of Mason City, IA and The Lower Brule Sioux Tribe, as well as various consultants. Brown County SD has 480 miles (and declining) of bituminous roads and 190 miles (and increasing) of gravel roads, 141 bridges, 25 employees and a \$9.2 million budget. Brown County laid 38,000 tons of asphalt this year with 30,000 tons done by county forces. Brown County has been upgrading bituminous roads to gravel since 1998.

Dan Schellhammer, Vice President of Midstate Reclamation and Trucking Dan is a Licensed Professional Engineer in the State of Minnesota after graduating from the University of Minnesota with a Civil Engineering Degree.

Renée Railsback, Director of the Colorado Local Technical Assistance Program Renée is Colorado's longest serving LTAP Director and has been with the center for over 18 years. Renée has Masters Degrees in both Architectural Design and Structural Engineering from the University of Colorado. Her background is in structural engineering mechanics of materials and research in the use of Fiber Reinforced Polymer Rebar for concrete pavements. She was a Structures professor in the Masters Architecture program at CU Denver for 4 years. Renée has presented throughout the country on Preparing Public Works for Emergency Disaster Response, and Sign Inventory Management. Nationally, Renée has served on several Federal Highway Administration Committees and is Past-President of the National LTAP Association. In state, she focuses on the advancement of local transportation needs by serving on APWAs Colorado Chapter Board of Directors, is Secretary of the Colorado Association for Roadway Maintenance, serves on COs Transportation Innovation Council Executive Committee and CO Strategic Highway Safety Plan Steering Committee.

“YOU SHOW US”

The “You Show Us” contest is for local transportation agencies to showcase their best practices & inventions. In particular this contest takes into consideration the efficient use of funds and materials, as well as innovative safety techniques. Each LTAP center in the North Central Region conducts a state contest submitting their state winning project to compete in the regional contest. An overview of each state winning entry will be given during this presentation and awards for the state and regional winners will be given. Please consider entering your state contest next year when contacted by your LTAP folks. There is no invention or idea that is too small or seemingly insignificant that wouldn’t make a worthy entry. Often times the simplest idea is the best idea. Those doing the judging thoroughly enjoy seeing what innovative ideas are out there and your idea may be just what your neighbor needs.

2018 North Central Local Roads Conference

“You Show Us” Contest State Winners

COLORADO

Portable Bridge Safety-Work Platform
El Paso County Dept. of Public Works
3275 Akers Dr.

Colorado Springs, CO 80922
