What NACE Does

- Networking
- Advocacy
- Professional Development
- Education
- Training
- Thought Leadership

Advocacy

Representing county engineers and professional road managers nationally.

- Legislative Priorities - NACE and NACo
- Influencing Policy makers and key stakeholders
- Testimony before Congress
- Visits on Capitol Hill and legislative fly-ins
- Information and alerts for individual call to action
- Increased Strategic Communications

@EngineersNACE

NACE Advocacy in Action

NACE LEGISLATIVE PRIORITIES

- Permit and Approval Process Streamlining
- Increased Federal Funding
- More Opportunities for Direct Funding
- Safety

Local Road Safety Foundation

Vision: A local road system free of fatalities

The LRSF is dedicated to reducing fatalities and serious injuries on the local road network. Through collaborative partnerships in outreach and education, the foundation exists to empower local road owners in developing and implementing road safety programs.

LRSF Objectives

- Monitor local road safety data
- Facilitate the dialogue between all governmental entities and safety partners
- Promote local participation in the SHSP process
- Promote noteworthy local practices
- Provide access to locally focused professional development
- Empower local road owners to develop local road safety plans

Communication

- How can we better serve our members thru communication?
- How can we promote and increase exposure for the good work our members are doing?
- How can we effectively voice our priorities to elected officials and agency personnel?
