UPPER GREAT PLAINS
TRANSPORTATION INSTITUTE
NORTH DAKOTA LOCAL TECHNICAL ASSISTANCE PROGRAM

A SPECIAL WELCOME TO FIRST-TIME ATTENDEES

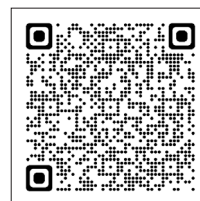

We are pleased you've decided to attend your first ND Asphalt conference. The agenda is full of educational opportunities and you will have plenty of time to network with experts in the asphalt industry.

A BIG THANK YOU TO OUR SPONSORS

This conference simply could not happen if it weren't for our generous sponsors. If you see one of our sponsors, be sure to thank them for their support of the ND Asphalt Conference.

QUESTIONS, COMMENTS AND FEEDBACK

If you have any questions, please see the registration table and we will do our best to get them answered. Scan this QR code to fill out the conference evaluation form. This is your conference and we want to be sure it is meeting your expectations.

This conference is coordinated and sponsored by the North Dakota Local Technical Assistance Program (a program under Upper Great Plains Transportation Institute, North Dakota State University), North Dakota Department of Transportation, Dakota Asphalt Pavement Association, and Associated General Contractors of North Dakota.

All presentations will be available on the NDLTAP website after the conference: www.ndltap.org

Special thank you to DAPA for sponsoring the social.

The DAPA Board is excited to announce the hiring of Mike Brever as the Executive Director and he will be starting on April 17. The DAPA Board also wishes to express their deepest gratitude to Ken Swedeen and wish him the very best in his retirement.

Mike brings to the association 34 years of industry experience working with asphalt materials and quality control. Mike attended Concordia College and has testing certifications in North Dakota, South Dakota and Minnesota.

Having served on several quality control specification committees throughout the years and working in the bituminous industry, Mike looks forward to representing his view points to public agencies and encouraging standardization on specifications. He is looking forward to meeting members and working together on mutual items of interest in the highway construction industry.

Mike currently resides in Alexandria with his family. In his spare time, he enjoys hunting, fishing, traveling and in the summer, he can be found on the lake enjoying time with his family
