

National Tribal Road Maintenance Symposium

May 14-16, 2024

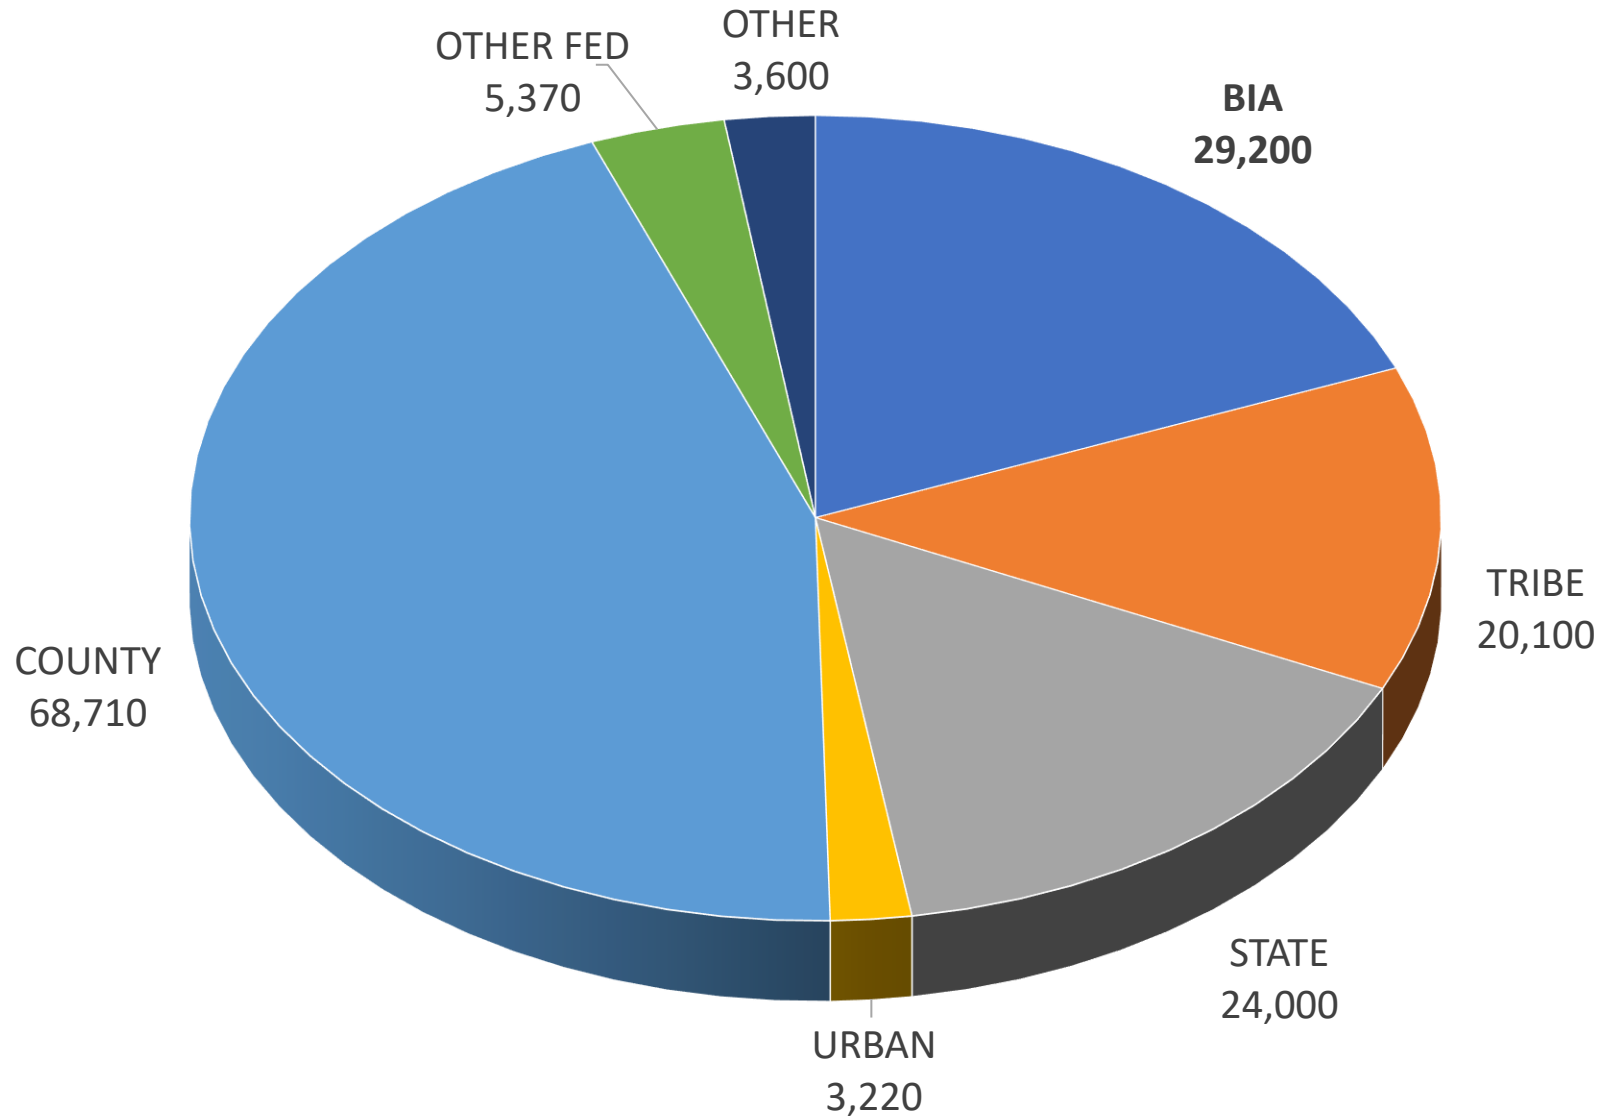

Box Elder, South Dakota

Why Road Maintenance?

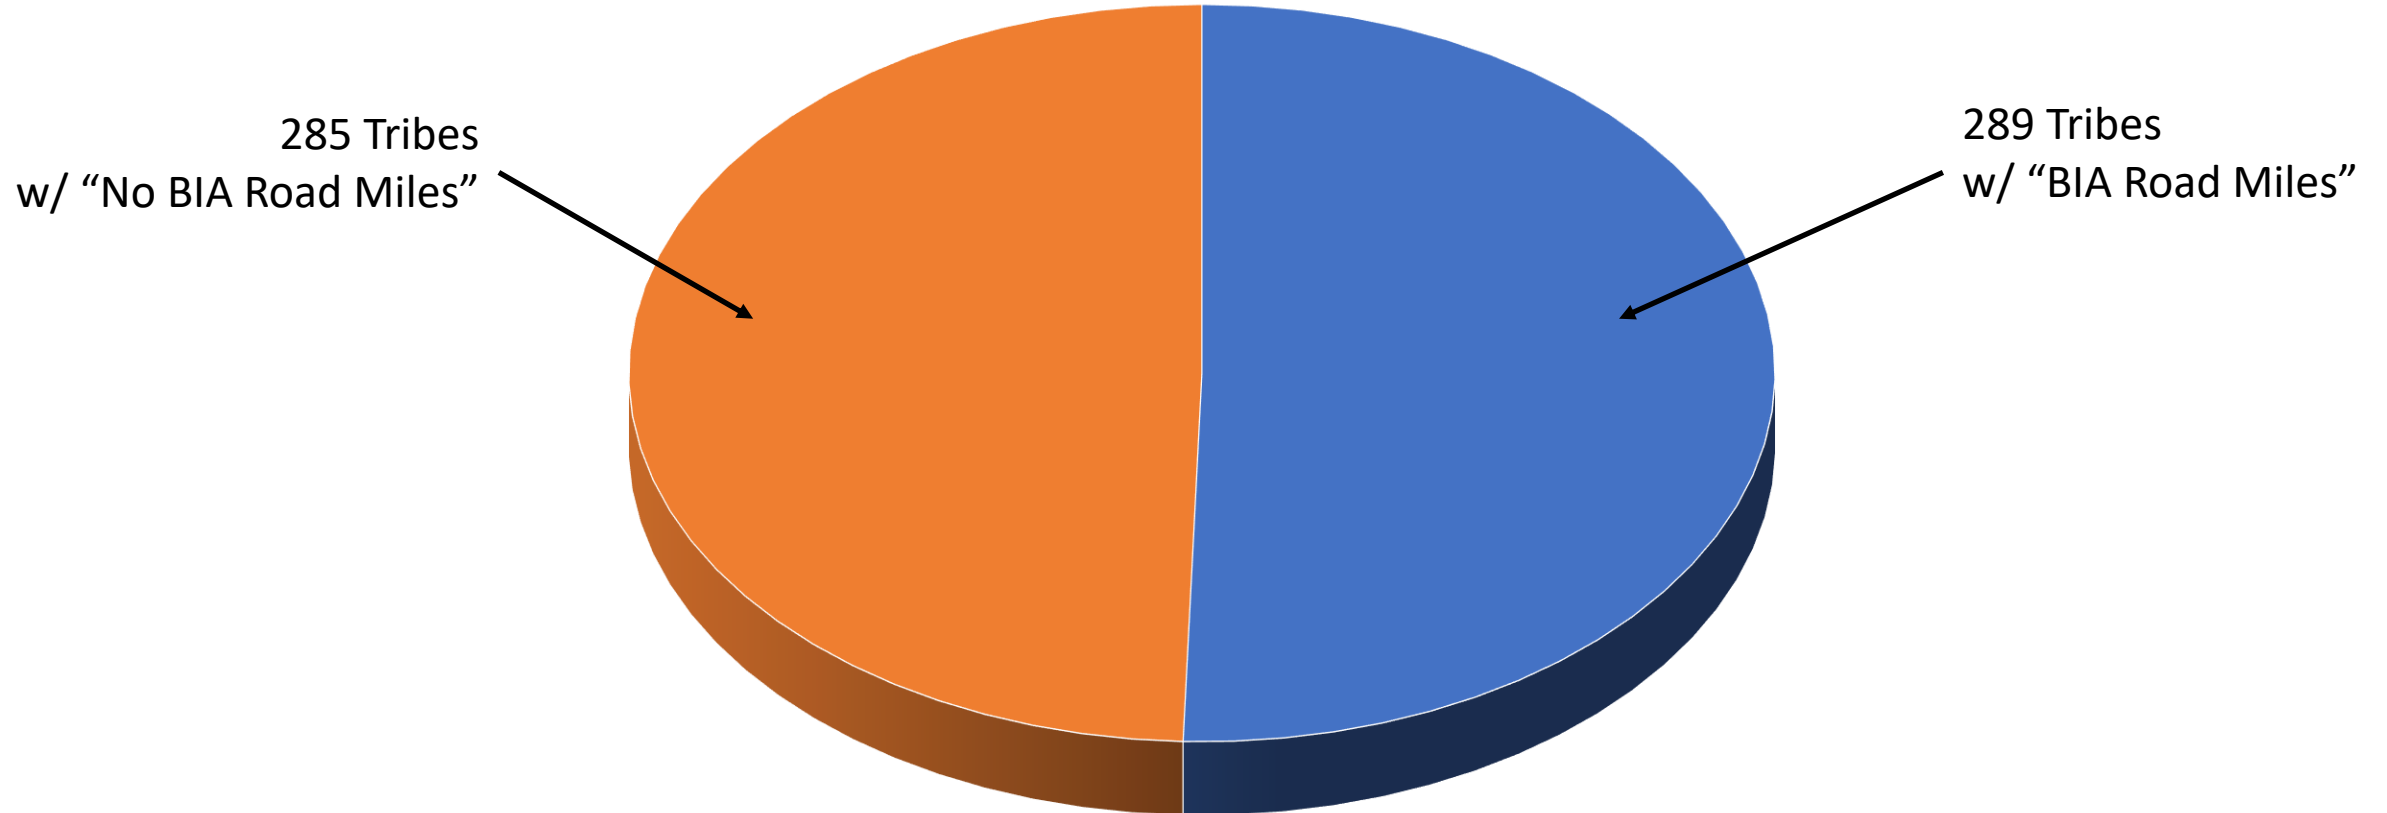

In case you did not know (facts and information on programs)

- Only **289 of the 574** Tribes have BIA roads within their tribal lands
- Only 200 of the 574 Tribes perform BIA road maintenance via a 638 contract or agreement
- The funds received from OIP TPA Road Maintenance can only be expended on maintaining BIA roads (29,200 miles of the 154,200 total miles managed by BIA/FHWA)
- The BIA Road Maintenance program is not eligible for improvement. Improvement, construction, reconstruction are construction functions eligible under the Tribal Transportation Program.
- 87% of the BIA Roads are located in 6 Regions
- 59 Tribes have 87% of the BIA roads on their lands

Miles by Ownership, NTTFI

BIA Roads “managed in whole or in part by the Bureau of Indian Affairs”

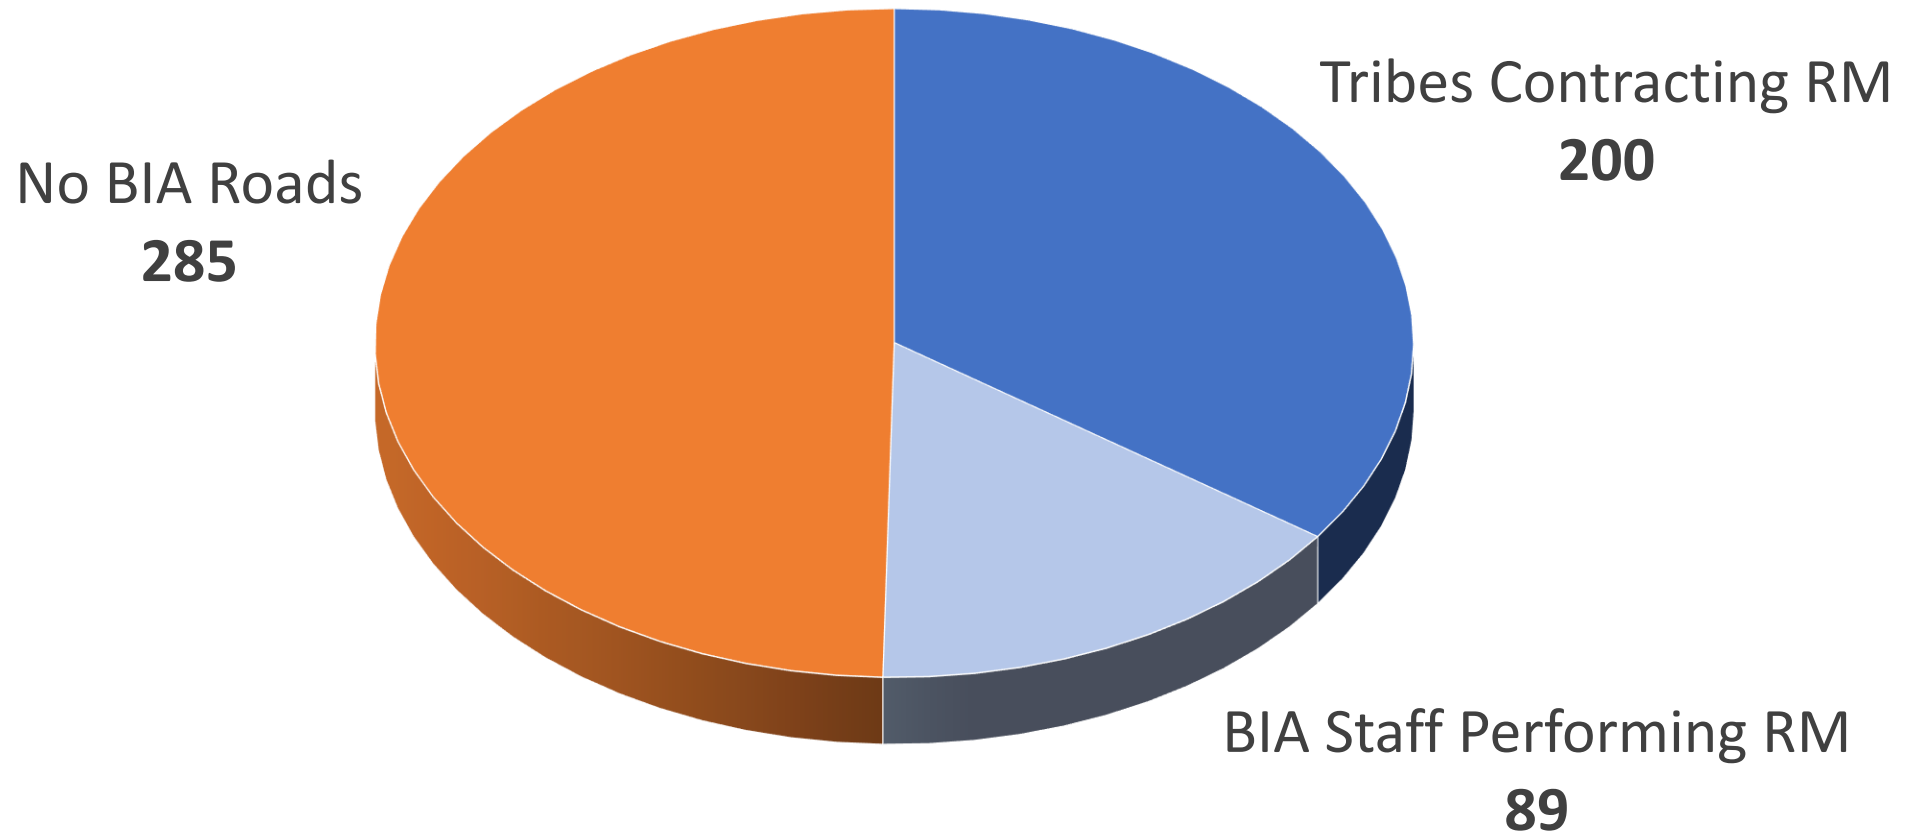

Total of 574 Tribes

In case you did not know (facts and information on programs)

- Only 289 of the 574 Tribes have BIA roads within their tribal lands
- Only **200 of the 574 (~34.8%)** Tribes perform BIA road maintenance via a 638 contract or agreement
- The funds received from OIP TPA Road Maintenance can only be expended on maintaining BIA roads (29,200 miles of the 154,200 total miles managed by BIA/FHWA)
