Operation Safe Driver Week

October 15-22, 2017 traffic enforcement campaign

Top Citations/Warnings for CMV drivers were for:

- 1. Speeding*
- 2. Failing to Use Seatbelt While Operating CMV
- 3. Failure to Obey Traffic Control Device
- 4. Using a Handheld Phone
- 5. Following too closely

*state and local laws technically leads the citations and warnings; however, many of these are also for speeding

ELD Implementation

- Enforcement on ELD rule (FMCSR 395.20-395.38) effective Dec. 18, 2017
- On April 1, 2018, inspectors will start placing commercial motor vehicle drivers out of service if their vehicle is not equipped with the required ELD.
- The ELD mandate does not change any of the underlying hours-of-service requirements
